

Stewart Island / Rakiura Community and Environment Trust

Certificate of Sponsorship

June 2008 – June 2009

This certificate represents the protection from possums, rats and wild cats

Ann Tait
of
Korshai Lane
is providing within the
Kallmoon Bay Habitat Restoration Project
Stewart Island / Rakiura

The protection will enable the natural strength of native plant, bird, lizard and insect life within this hectare to be restored. In 2008/09 we hope to bring rīfemēn / tiki poumanu back to

Kallmoon Bay. Thank you for your help in making this happen.

You have made a difference to the future of Kallmoon Bay, for all future generations
