

Stewart Island / Rakiura Community and Environment Trust

Certificate of Sponsorship

June 2008 – June 2009

This certificate represents the protection from possums, rats and wild cats

Peter and Sris Sait
of
Sails Ashore

are providing within the

Kallmoon Bay Habitat Restoration Project
Stewart Island / Rakiura

The protection will enable the natural strength of native plant, bird, lizard and insect life within this hectare to be restored. In 2008/09 we hope to bring tiffemen / tiki pouanamu back to Kallmoon Bay. Thank you for your help in making this happen.
You have made a difference to the future for all future generations.
